Here's our tips

Planning

Planning is essential! Our timetable allows for a maximum of 4 x 1 hour stops of your choice (so if you have a long 2 hour lunch, you'll have 3 stops in total). So start working out with your group which ones you'll visit. To maximise your number of stops, you should visit venues in the same order as the timetable (ie go top-down, not bottom-up).

Booking Lunch

For all restaurants – bookings are essential. We encourage a long (2 hour) lunch, but if you can only spare 1 hour, when booking be sure to tell them you're with TrailHopper, the exact time you're arriving, and how long you have. Re-iterate all of the above to your waitperson upon arrival. Get your order in asap, then go and do some wine tasting!

Be Flexible

The wineries won't let too many groups hop off at a time. So if we need you to alter your timings slightly please be understanding.

We've got you covered

If you lose this info-pack, everything's on the website: www.trailhopper.com.au and if you need us for any reason, call the bus phone on the number above the door.

Hopping on and off

Like any normal bus, it's up to you to be waiting outside at the pickup location. Unfortunately we can only wait a maximum of 3 minutes before we have to take off so please be on time!

Enjoy Yourself Responsibly

As we're not licensed and we abide by Responsible Service of Alcohol protocols, we need you to respect yourself and others at all times, stay fed and hydrated, and enjoy the day responsibly!
