TrailHopper's Duty of Care

In the Event of Passenger Misconduct

TrailHopper is committed to providing a unique wine tasting experience that is fun, safe and enjoyable for all onboard. However as alcohol is involved we have a **legal duty of care** to take reasonable steps to ensure the safety of all passengers, as well as our winery partners and of course our guides.

This agreement defines the grades of passenger misconduct and advises you of the Duty of Care actions your TrailHopper guide is **legally required to take** in these events. We hope this helps you to make responsible choices throughout your tour.
